

Derbyshire Dales District Council - Community Payback Application Form

There is funding for approximately 40 days of work by the Community payback scheme so we can only allocate one task per ward. If the task will take less 7 hours then please include additional jobs to bring it up to a day's work.

Name:	Ward:
Telephone:	Email address:
Location of work and ownership of site:	
Description of tasks:	
Estimated length of time of task:	
Are there any materials or specialist equipment required and if so is there funding for them:	
Are there any dates or seasonal preferences or restrictions:	

The Community payback will provide up to 8 offenders for 7 hours a day. Projects should meet the following criteria:

- Benefit the local community
- Not take paid work away from others
- No one will profit from the work
- It is a one off project, not part of a regular maintenance
- The offenders will be seen to making a positive contribution to the community
- There needs to be toilet facilities near by

Please return application from to.....
