Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

This application is made to allow Peak Ales Ltd to sell alcohol by retail for consumption on and off the premises at the microbrewery site.
A majority of sales are likely to be off-sales. The majority of on-sales will be pre-planned and organised events usually at the weekend. There will be on-sales to visitors who have visited the site for tours which may occur during the week and in the evenings.

b) The prevention of crime and disorder

It is not proposed to sell alcohol for consumption before 11:00hrs. The site is protected by a CCTV system and exterior movement sensitive lighting. CCTV cameras are installed outside the premises and will be maintained. The system is fit for purpose providing an image of identification standard. Images shall be maintained for at least 31 days and shall be made available to officers of a responsible authority on request.

c) Public safety

The licence holder will comply with all relevant Health & Safety legislation and Peak Ales Ltd own Health & Safety policy will be reviewed in light of the new circumstances. There are no steps on the premises and appropriate lighting is installed. Consumption on site is primarily external to the premises.

Special Events Risk Assessment:

The DPS (or persons nominated by them) will undertake risk assessments of upcoming events held at the premises that are likely to result in additional custom and/or change to the usual customer base at the premises. The risk assessment will be recorded in the incident log and will detail: Nature of the event, likely attendance, any special staffing requirements, whether door-staff are to be employed.

d) The prevention of public nuisance

It is not considered that the licensable activities will give rise to public nuisance. The premises are in a rural location at the edge of Ashford-in-the-Water. There is plenty of off-road vehicle parking available at the site for customers/visitors.

e) The protection of children from harm

Challenge 25 policy will be in operation. Full training is provided to staff on commencement of employment on the law relating to all age restricted products and any system or procedures they are expected to follow in the course of dealing with these goods. Refresher training will be provided at regular 6 month intervals. Anyone who appears under 25 will be asked to prove their age with PASS card, Driving Licence or Passport verification. Failure to provide satisfactory proof of age will result in a refused sale. Clear prominent signage informing customers of the age verification policy will be clearly displayed. A system of recording sales refused under age verification policy will be operated at all times. This record will be reviewed by the DPS, (or a

deputy approved in writing), monthly and advise if any change in operating procedures is required following review. A refusal record will be kept on the premises for production to an officer of a responsible authority. Records will be kept for a minimum of 2 years.

Children under 16 will need to be accompanied by an adult while on the premises.

Remote sales: our terms and conditions state that you must be over 18 to use the website and

all website users must confirm they are over 18 via age verification. Customers are made aware that alcohol can only be delivered to persons aged over 18 who may be asked to age verify.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
