Public

The meeting was conducted in public, with the agreement of all parties.

There was no Public Present

The Sub-Committee withdrew into private session to consider its decision and were advised by the Sub-Committee's legal representative that only evidence relevant to the four Licensing objectives could be taken into consideration and that it was important that any conditions attached to a Licence should be to promote the Licensing objectives.

Decision

That having considered all the evidence put before it, the Sub-Committee determined that the Applicant should be granted the Premises Licence.

Reasons

In reaching its decision the Sub-Committee had regard to

- The licensing objectives,
 - The prevention of Crime and Disorder
 - Public Safety
 - The protection of Children from harm
 - The prevention of public nuisance.
- The Council's statement of licensing policy,
- The Statutory Guidance issued under section 182 of the Licensing Act 2003
- The Application for a Licence
- The Report by the Licensing Manager
- Both the written and oral representations made to the Sub-Committee by
 - The Applicant
- The written representations made to the Sub-Committee by
 - Other Party Representations

The Sub-Committee considered the report and comments made by the Licensing Manager including details of the application for a Premises Licence, made by Peak Ales Ltd, to allow the sale of alcohol to take place at Peak Ales Ltd, Artisan Units, Unit 3, Longstone Lane, Asford- in the -Water.

The Sub-Committee feel that the conditions agreed with the Police and Trading Standards, together with the proposals submitted by the applicant and the mandatory conditions as per pages 32 to 35 of the application are sufficient to ensure that the four licensing objections are met.

- Prevention of Crime and Disorder
- Public Safety
- Protection of Children from Harm
- Public Nuisance

The Sub-Committee took note of the objector's comments but feel that the licensing objectives have been met by the application.

In all the circumstances and taking into account the 4 Licensing Objectives which are key and paramount, on the evidence before them the Sub-Committee feel this decision is appropriate and proportional to ensure the Premise Application can be granted whilst promoting the Licensing Objectives.
