Mr Duncan Bradbury . MATLOCK ANTIQUES Ltd.

7,Dale Road Matlock.

Derbyshire DE4 3LT

The flat, 7 Dale Road Below Matlock Antiques adjoining 5 Dale Road, The Herd. Is a single parent with a 6 year old child, should not be subjected to late night music and rowdy noise from people drinking next door.

As this happened when it was the Herd before, people constantly up and down the metal fire escape,smoking and drinking being very loud and thowing there cigarettes over onto my property.

The conditions currently being discussed should not be permitted due to the residents being so close. there should be no extention granted, as there are many late night pups and clubs on dale road we do not need another.

We have had problems before and do not want any more stress in our lives, from alcohol induced aggression.

I have had to get intouch with the environmental Health on numerous occasions regarding noise from the kitchen extractor fan and the smell of food from the flue not fitted high enough. These were discused with the previous owner but nothing was done to solve the problems.

regards Duncan Bradbury

I strongly object to the application for music and late night opening and any out door eating and drinking

As there is a tenant living next to these premises, a one parent family,a child of 5years of age with a young mother ,it is impossible to subject a child with the noise and disturbance

There are enough drinking houses on DALE Road without making a family more stressful and unsafe
