Information

3.02 Citizens have the right to:

- attend meetings of the Council and its committees except where confidential or exempt information is likely to be disclosed, and the meeting is, therefore, held in private;
- find out from the forward plan what decisions will be taken by the Council and policy committees and when;

Participation

3.03 Citizens have the right to submit questions to and make statements at meetings of the Council and its committees. They may also contribute to investigations undertaken by the Scrutiny Committee. We particularly welcome petitions and the District Council has agreed special procedures to ensure that petitions are reported to an appropriately senior level within the District Council

Complaints

3.04 Citizens have the right to complain to –

- Council itself under its complaints procedure;
- the local government ombudsman;
- the Monitoring Officer about a breach of the Members' Code of Conduct;
- the Information Commissioner about a refusal by the Council to disclose information.

Petitions

3.05 We particularly welcome petitions as one way in which you can let us know your concerns. We set out below how the District Council will respond to petitions which you send us.

What is a petition?

3.06 We treat as a petition any communication which is signed by or sent to us on behalf of a number of people. For practical purposes, we normally set a requirement for at least 10 signatories or petitioners before we treat it as a petition. Whilst we like to hear from people who live, work or study in the Derbyshire Dales, this is not a requirement and we would take equally seriously a petition from, for example, 10 visitors to the District on the subject of facilities at one of our Leisure Centres.

What should a petition contain?

3.07 A petition should include –

- (i) A clear statement of your concerns and what you want the District Council to do. This must relate to something which is the responsibility of the District Council, or over which we have some influence. Where a petition relates to a matter which is within the responsibility of another public body, we will ask the petition organiser whether he/she would like us to redirect the petition to that other public body. Where a petition relates to a matter over which the District Council has no responsibility or influence, we will return the petition to the petition organiser with an explanation for that decision;
- (ii) The name and contact details of the “petition-organiser” or someone to whom you would like any correspondence about the petition to be sent. Contact details may be either a postal address or an Email address;
- (iii) The names of at least 10 petitioners (which can include the petition organiser). Where the petition is in paper form, this can include an actual signature from each petitioner, but actual signature is not essential. Where the petition is in electronic form, a list of the names and addresses of the petitioners will suffice.
- (iv) If you are submitting the petition in response to our consultation on a specific matter, please identify the matter which it relates to, so that we can ensure that your petition is considered along with original matter.

Who should you send a petition to?

3.08 Where you submit a petition in response to consultation by the District Council, please address it to the return address set out in the consultation invitation. This will ensure that it is reported at the same time as the matter to which it relates is considered. We have appointed a Petitions Officer, who is responsible for receiving, managing and reporting all other petitions sent to the District Council. Please address petitions to –

The Petitions Officer
Derbyshire Dales District Council,
Town Hall,
Bank Road,
Matlock,
Derbyshire,
DE4 3NN

Or to Petitions@derbyshiredales.gov.uk

The Petitions Officer will ensure that the petition is acknowledged. The Petitions Officer can also provide you with advice about how to petition the District Council or the progress of your petition, at either of the above addresses.

Types of Petition

3.09 There are three different types of petition, as set out below. How we deal with a petition depends on which type of petition you submit:

(i) Ordinary Petitions

these are petitions which do not come within any of the following specific types. Please note that petitions which raise issues of possible Councillor misconduct will be taken as complaints arising under the Local Government Act 2000 and will be reported to the Monitoring Officer, rather than considered under this Petitions Procedure.

(ii) Consultation Petitions

These are petitions in response to an invitation from the District Council for representations on a particular proposal or application, for example on planning or licensing applications or proposals prior to their determination, for parking restrictions or speed limits or a major capital scheme. Consultation petitions which are received by the response date in the consultation invitation will be reported to a public meeting of the person or body which will be taking the decision on the application or proposal

(iii) Statutory Petitions

Particular Acts of Parliament require the Council to consider petitions, for example a petition for a review of Parish Councils, or a petition for a directly-elected Mayor. Where you submit a petition under such a specific statute, we will report it to the next available meeting of the Council in accordance with the statutory requirements.

The Petitions Website

3.10 The purpose of the e-petition service is to enable as many people as possible to make their views known to the District Council.

3.11 E-petitions must follow the same guidelines as paper petitions set out in Article 3.08 and combinations of the two are allowed.

3.12 As a petition organiser you will need to provide your name, email and postal address. You will also need to decide how long you would like your petition to be open for signatures. The maximum time is 6 months.

3.13 When you create an e-petition, it can take up to 5 working days before it is published online. If we feel we cannot publish your petition for some reason we will contact you and offer you an opportunity to resubmit your petition if you wish.

- 3.14 Acknowledgements will be emailed to everyone who signs an e-petition and they will be asked to verify their email address by clicking a link to confirm their signature.
- 3.15 Use of individuals' personal data including their email addresses will be protected under the terms of the Data Protection Act 1998 and will be held by the Council only for the purpose of corresponding in relation to the petition so submitted.

The role of Ward Councillors

- 3.16 When a petition is received which relates to a local matter (particularly affecting specific electoral wards), the Petition Officer will send a copy of the petition to each relevant Ward Member at the same time as acknowledging receipt of the petition to the petition organiser.
- 3.17 When the petition is reported to the person or body within the District Council who can take a decision on the matter to which it relates, the relevant Ward Member will be invited to attend and to address the decision-taker for no more than 3 minutes (or 3 minutes each), immediately after the petition organiser.

What happens when a petition is received?

- 3.18 Whenever a petition is received:
- (i) Within 5 working days of receipt, the Petitions Officer will acknowledge receipt to the petition organiser.
 - (ii) In some cases, the Petitions Officer may be able to resolve the petitioners' request directly, by getting the relevant Officer to take appropriate action. For example where the petition relates to fly-tipping and the District Council can arrange for it to be cleared up directly. Where this is done, the Petitions Officer will ask the petition organiser whether s/he considers that the matter is resolved.
 - (iii) Unless the matter has been resolved to the satisfaction of the petition organiser, the Petitions Officer will aim, within 10 working days of receipt of the petition, to provide a substantive response to the petition organiser setting out who the petition will be reported to for consideration, when and where that will take place and inviting the petition organiser to attend that meeting and to address the meeting for up to 3 minutes on the issue covered by the petition.
- 3.19 What happens to a Consultation Petition?
- (i) Consultations Petitions are submitted in response to an invitation from the Council to submit representations on a particular proposal or application, such as a planning or licensing application.
 - (ii) The petition will be reported to person or body who will take the decision on the proposal or application at the meeting when they are to take the decision on that application or proposal. The Council's Constitution defines who will take different types of decision, as set out in Part 3 of the Constitution. So, for example, where a petition has been received objecting to the grant of

planning permission, the application would be reported to the Planning Committee for decision. Where the petition supports the planning application, it may be determined by the Director of Regulatory Services.

3.20 What happens to a Statutory Petition?

- (i) Particular Acts of Parliament require the Council to consider petitions, for example a petition for a review of Parish Councils, or a petition for a directly-elected Mayor. Where you submit a petition under such a specific statute, we will report it to the next available meeting of the Council or relevant Committee in accordance with the statutory requirements.

3.21 What happens to an Ordinary Petition?

- (i) The Petitions Officer will arrange for each Ordinary petition to be reported to the relevant senior officer, or Committee or Sub-Committee of Council which has the power to take a decision on the matter.
- (ii) An ordinary petition will only be referred to the appropriate Committee or Sub-Committee of Council with the agreement of the Chair and Vice Chair of that Committee in consultation with the Director of Corporate and Customer Services and the relevant officer.

At the meeting, when the matter to which the petition relates is considered –

3.22 Petitions will be considered in the order in which they were received, unless the Chair at the meeting determines otherwise.

3.23 The decision-taker or the Chair of the meeting may invite a relevant officer to set out the background to the issue before inviting the petition organiser to address him/her for up to 3 minutes. The Chair may then ask questions of the petition organiser, and will then invite any relevant Ward Member present to address him/her on the matter for up to 3 minutes (each). The Chair will then invite a relevant officer(s) to advise him/her/the meeting, after which the matter will be open for debate among members of the decision-making body. Where the matter is to be determined by an officer, s/he will take a decision on the matter. That decision may be a determination of the matter, or may be a decision to refer the matter for investigation and report back, or to refer it up to a meeting of Council or a Committee of the Council for determination.

The role of the Petition Organiser

3.24 The petition organiser will receive acknowledgement of receipt of the petition within 5 working days of its receipt by the District Council.

3.25 Where the petition is not accepted for consideration (see 9.1 to 9.4 for grounds for rejection of petitions), the petition organiser will be advised by the Petitions Officer of the rejection and the grounds for such rejection.

3.26 Where the petition is accepted for consideration, the petition organiser will be advised by the Petitions Officer within 10 working days of receipt by the District Council as to who the petition will be considered by, and the date, time and place of the meeting at which it will be considered, and will be invited to address the meeting

for up to 3 minutes. The meeting may then ask the petition organiser questions on the subject matter of the petition.

- 3.27 The petition organiser may nominate another person to address the meeting and to answer any questions on the matter.
- 3.28 The petition organiser will be regularly informed by the Petitions Officer of any decisions in respect of the petition and will be formally notified of the outcome of the petition's consideration within 5 working days of such decision.

Petitions which will not be reported

3.29 Duplicate Petitions

Where more than one petition is received in time for a particular meeting, each supporting the same outcome on one matter, each petition organiser will be treated as an independent petition organiser, but only the petition organiser of the first petition to be received will be invited to address the relevant meeting. This does not prevent any other member of the public addressing the meeting during the specific public time allotted at each meeting. Where possible the Council will inform each petition organiser of the duplication and provide details if we are able.

3.30 Repeat Petitions

A petition will not normally be considered where it is received within 6 months of another petition being considered by the District Council on the same matter.

3.31 Rejected Petitions

Petitions will not be reported if in the opinion of the Petitions Officer, they are rude, offensive, defamatory, scurrilous or time-wasting, or do not relate to something which is the responsibility of the District Council, or over which the District Council has some influence.

- 3.32 Petitions relating to Planning and Licensing matters will not be considered outside of the proper consideration of the matter. So for example a petition following a planning decision by the appropriate committee will not be considered as there are proper statutory routes for appealing such decisions and these are laid out in the appropriate legislation.

Citizens Responsibilities

- 3.33 Citizens must not be violent, abusive or threatening to Councillors or Council employees and must not wilfully harm things owned by the Council or employees.
