230/23 - LOCAL PLAN POLICY REVIEW

The Policy Manager introduced a report which provided Members with the details of key policy areas that the Local Plan review would seek to address in the future. The report informed Members of the requirement on each local planning authority to complete a review of the local plan every five years, starting from the adoption of the plan. In the case of the Derbyshire Dales, the review was required to be completed no later than December 2022, the commencement of this was formally endorsed by Council in November 2020.

The report informed Members of the work that had been completed to date, including the areas of work completed by consultants in order to ensure that the evidence base which underpinned the Derbyshire Dales Local Plan was up to date. It was noted that following this work a report was considered by Council which detailed the work undertaken and the areas which were determined as requiring modification to set a basis for future decisions on planning applications. A detailed schedule of all policies considered necessary to be revised were set out at appendix 1 to the report.

The key policy areas were summarised at paragraph 2.1 of the report, it was noted that whilst no detailed work had been completed on revisions to the wording of the policies in the Local Plan, given the comprehensive nature of the policy review it was considered that the areas identified remained valid and would continue to form the basis for future work on the Local Plan Policies.

It was moved by Councillor Martin Burfoot, Seconded by Councillor Gareth Gee and

RESOLVED (unanimously)

1. That the key topic areas as set in Paragraph 2.1, in addition to the topics listed below, be noted.

 - The retrofitting of existing properties to advance progression towards net zero goals.
 - Ensuring that infrastructure is adequate to support development, specifically drainage.
 - Ensuring that policies are endorsed and supported by residents, developers, and the planning inspectorate.
 - A clear definition of ‘Thriving and Flourishing Communities’ be established for use in the development of policies.

- That the equalities implications be considered throughout the process of policy development and implementation.
 - Renewable energy generation, at all spatial levels, to support the District in addressing the impacts of climate change.
 - Holiday and second homes, to enable the Local Plan to reflect the introduction in the Levelling Up Act of measures to bring their control within the scope of planning.

The Chair declared the motion **CARRIED**.

The report recommended that Members note the findings of the updated settlement hierarchy assessment and that the contents of the assessment would be used to inform the strategic development framework in the Derbyshire Dales Local Plan. The full Settlement Hierarchy assessment was set out in Appendix 1 to the report.

The Policy Manager introduced a report which provided Members with details of the Derby, Derbyshire and East Staffordshire Gypsy and Traveller Accommodation Assessment 2023.

The report sought Member endorsement for the contents of the assessment which was included at Appendix 1 to the report.

It was noted within the report that the assessment research had made use of several data sources including:

- An online survey and telephone interviews with key stakeholders regarding the accommodation needs of Gypsies, Travellers, Travelling Showpeople and boat dwellers.
- A review of the secondary information: a review of national and local planning policies and recently undertaken similar assessments, and analysis of secondary data.
- Surveys of Gypsies, Travellers, and Travelling Showpeople, covering a range of issues relating to accommodation and service needs.

It was also noted in the report that this updated evidence base would help the District Council to determine the extent to which Gypsy and Traveller site provision would need to be addressed in the future, through both policies and practical implementation.

The report explained how the scope of the Local Plan review had recently been expanded and how the review had been prioritised highly by the leadership of the incoming administration.
